The boat log

Servicing, repairs, checks, fuel and incidents, all in one place with the engine hours.

Where

Members admin → Clubboat, under **Add to the log**.

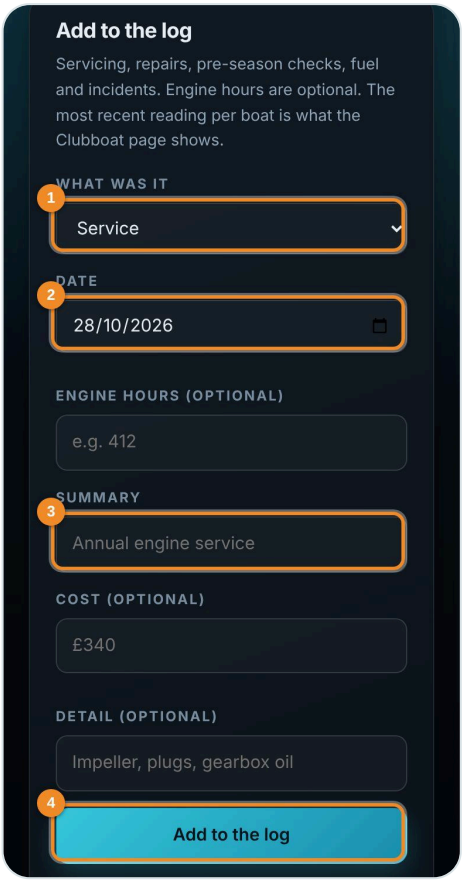

Incidents

Logging an incident tells every committee member. Everything else is recorded quietly.

Adding to the log

1. **Fill it in**
   What it was: service, repair, check, fuel, incident or note. The date, engine hours if you have them, a short summary, the cost and any detail. Press **Add to the log**.

2. **Reading it**
   The log lists everything newest first, with cost. The most recent engine hours are what the Clubboat page shows members.

1 what it was, 2 date, 3 summary, 4 Add to the log.

FoxFace Diving how-to guides, guide B4. Pictures are from Kelpline Divers, a made-up club; your club's site shows your own names and kit. Made by FoxFace. Version 2, October 2026.
