Reporting a problem with the site

Something not working? Tell the people who built it, straight from the site.

Where

Members admin → Data, under **Something wrong with the site?** Or email **hello@foxface.io**.

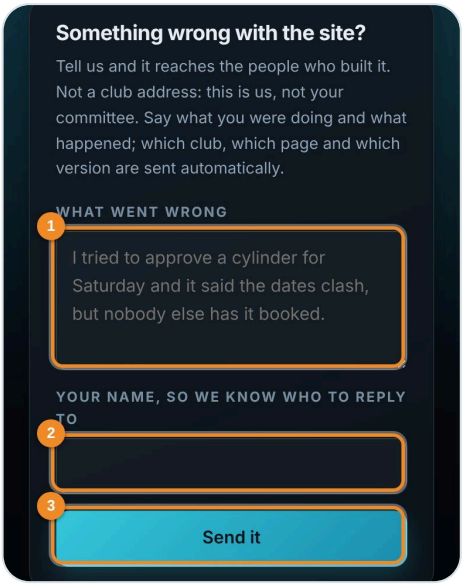

Sent automatically

Which club, which page and which version go with it, so you don't need to say.

Sending a report

1. **Say what happened and send**
   Say what you were doing and what went wrong, put your name so we know who to reply to, and press **Send it**.

2. **Members**
   The footer of every page has the same address under **Something wrong with the site?** It's not a club address: it reaches us, not your committee.

1 what went wrong, 2 your name, 3 Send it.

FoxFace Diving how-to guides, guide C13. Pictures are from Kelpline Divers, a made-up club; your club's site shows your own names and kit. Made by FoxFace. Version 2, October 2026.
