Getting a copy of everything the club holds about you

You can download everything the site holds about you at any time, without asking anyone.

Where

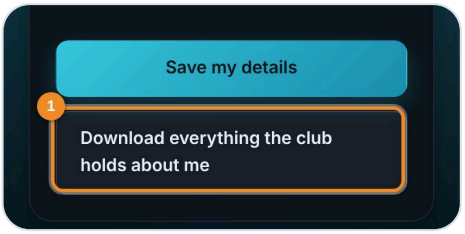

Kit Bag → **My details**, under the Save button.

Your right

Under data protection law you're entitled to this. The button makes it instant.

Downloading it

1. **Press Download everything the club holds about me**
   It saves a file to your phone or computer with your details, contacts, bookings, hires, charges and messages.
2. **In the phone app**
   The file is handed to your phone's share sheet, so you can save it to Files, email it to yourself or send it anywhere else (guide M13).

1 Download everything the club holds about me.

Want something corrected or deleted?

Correct your own details on **My details**. For anything else, ask the committee: the law gives them one month to answer. The club's privacy notice is linked from the bottom of every page: **How we use your information**.
